### **NORTHWOOD PARK SIGNS UNVEILED**

Northwood Elementary and Alaska Center for the Blind help  
Interpret the Park Environment for the Community

Please join Northwood Park Elementary Science Classes, the Alaska Center for the Blind and Visually Impaired, Anchorage Parks and Recreation and the Anchorage Park Foundation for a celebration unveiling interpretive park signs on Wednesday, **May 11, from 2:00-3:00pm**. Remarks will begin at 2:15pm.

Northwood Park is located in Spenard at 4550 Northwood Street. This fun event will take place on the boardwalk overlooking the bog.

Northwood Park Elementary teachers and students helped shaped the content for the new signs, and staff from the Alaska Center for the Blind and Visually Impaired helped the display meet needs of visually impaired Alaskans. The school and the center are neighbors to this park. The project was funded by the Alaska State Legislature.
