MARGARET EAGAN SULLIVAN PARK VOLUNTEER DAY

Neighbors Prepare for New Play Equipment at Westchester Lagoon

The Anchorage Park Foundation and the Parks and Recreation Department will be hosting a Volunteer Day at Margaret Eagan Sullivan Park (Intersection of U and 15th Street) in the Westchester Lagoon neighborhood on Saturday, August 27, 2011.

This Saturday, between at 9 AM and noon, volunteers including Boy Scouts and military personnel from Elmendorf Air Force Base will lay roadway pavers on a brand new path around a soon-to-be installed playground. All volunteers are welcome. All necessary tools, gloves and direction will be provided on site. Upon completion of the work day, volunteers will enjoy lunch.

Reduce, Reuse, Recycle! The heavy-duty street pavers are being recycled from the city's F. St. Connectivity Project.

Phase two of this volunteer project will be completed September 16th as part of United Way's Day of Caring.

Completion of the playground project is being paid for by support from the Alaska State Legislature.
