REPORT CARD ON PARKS: DAVID GREEN MEMORIAL PARK 2008

Report Card Background

The Anchorage Parks Report Card utilized community volunteers to create a comprehensive picture of the condition of our neighborhood parks, reflecting the Anchorage community's opinions, preferences and ideas. Almost 1,000 citizens along with APRD staff evaluated 53 neighborhood parks based on 6 different settings. Parks were surveyed based on cleanliness, safety, structure, appearance, and function. APRD will use this information to strategically employ its funding and volunteer resources to better meet the needs of the Anchorage community.

David Green Memorial Park Findings

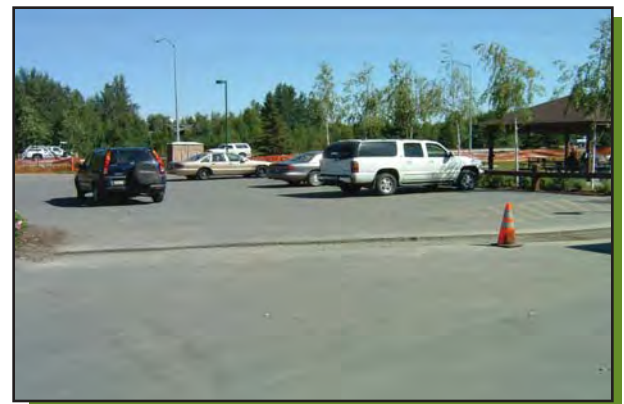

Participants were pleased with the quality of the playground at David Green Memorial Park but expressed some concern about the edging around the play area. Other concerns included old, unattractive trash cans and cracks in the pathways creating trip hazards. Other participants noted the lack of a crosswalk to the church across the street.

Fix It List

- Repair play area edging
- Replace trash cans near playground and picnic shelter
- Repair pathways
- Work with community to establish crosswalk

Neighbors are concerned about the play area edging

A crosswalk into the park is needed
