REPORT CARD ON PARKS: FAIRVIEW PARK 2008

Report Card Background

The Anchorage Parks Report Card utilized community volunteers to create a comprehensive picture of the condition of our neighborhood parks, reflecting the Anchorage community's opinions, preferences and ideas. Almost 1,000 citizens along with APRD staff evaluated 53 neighborhood parks based on 6 different settings. Parks were surveyed based on cleanliness, safety, structure, appearance, and function. APRD will use this information to strategically employ its funding and volunteer resources to better meet the needs of the Anchorage community.

Fairview Park Findings

Participants in Fairview Park identified a variety of concerns. In the play area, portions of the safety surfacing are missing and some equipment is broken. There is litter throughout the park, and there is only one trash can. The picnic shelter needs to be repainted, and additional picnic tables are needed. Furthermore, informational signs are unattractive and in poor condition. Community participants suggested converting the tennis courts into basketball courts.

Fix It List

- Repair and repaint play equipment; add swing set
- Repair edging material and safety surfacing in the play area
- Trim trees and underbrush to improve safety sight lines; consider moving flowerbed that intrudes on football field
- Repair pavement in tennis court and discuss possible replacement with basketball equipment with the community
- Remove graffiti on features throughout the park
- Add trash cans, benches and tables; repaint and repair picnic shelters
- Improve parking area and repair or replace informational signs
- Establish location and install dog station

The tennis court surface is cracked and unusable

The picnic shelters need repainting and more tables

The Anchorage Park Foundation developed the Anchorage Parks Report Card in partnership with the Eppley Institute for Parks and Public Lands at Indiana University, and community volunteers, thanks to a generous grant from the Rasmuson Foundation. The APF has raised over \$15 million dollars since 2004 to improve public parks, trail and recreation areas. To make a contribution or volunteer, please visit us at:
